## MARCH 2021

Hello Residents, Families and Friends.

It is hard to believe Spring is just around the corner when we were building snowmen just a few days ago. We hope that springtime will bring sunshine so that we can move more activities outdoors.

We are now in the process of signing up a 2021 volunteer team. Volunteers must have a clean background check, train and covid test 2x a week. If you are serious about making a difference for our residents, please let us know.
